1.2. Individuals entitled to support

Financial Hardship means you have difficulty meeting your financial obligations to us.

If you are in financial stress and are unable to pay money owed to us that is not a premium, we will work to support you and provide you with an appropriate solution depending on your circumstances.

If you are in financial stress and are unable to pay your premium, then we will work with you and your insurer towards appropriate support options.

2. PROCESS

2.1. Identifying people experiencing financial hardship

We have internal policies and training appropriate to our employees' roles to help them to identify if you are experiencing financial hardship and decide how they may be able to provide support to you.

We encourage you or your representative, to tell us about your financial hardship so that we can work with you and your insurer (where applicable) to discuss your situation and the options available to support you – otherwise there is a risk that we may not find out about it.

2.2. We may ask you for some information

To help us work out how best to support you, we may ask you some questions about your situation, including information about your financial circumstances and what services you need from us.

3. EXTERNAL ADDITIONAL SUPPORT
